READ CALVIN'S INSTITUTES IN A YEAR

John Calvin completed the *Institutes of the Christian Religion* in 1559 during the height of the Reformation, giving one of the greatest articulations of the faith in the history of Christ's church. We invite you to read this entire work in a year. The following suggested schedule is based on John Calvin, *Calvin: Institutes of the Christian Religion*, translated from the 1559 Latin edition by Ford Lewis Battles, 2 volumes, in *Library of Christian Classics*, ed. John T. McNeill (Philadelphia: The Westminster Press, 1960). It can also be used with the Beveridge translation (1845).

The middle column notation is book, chapter, and section in the Institutes.

The right column in parentheses is volume and page number of the Battles 1960 edition.
