TWO NOTES FROM THE DEACONS:

The Deacons have been working on Year End Tax Receipts. If you have not received a copy of your report yet, please let one of the deacons know so we can get it to you as soon as possible, so we can make any corrections needed in a timely manner. Also, if you have any left over receipts from money spent last year, please also hand those in to us before February 20th so we can also cover those. Thank you to everyone for your ongoing support of the work of the Deacons.

Dear Congregation - It has been a year now since I began the journey through a cancer diagnosis. A long road of tests to surgery, and radiation. It has also been a time of shock and disbelief. Nobody plans for cancer, and nobody thinks it will happen to them but, we find great comfort and peace in knowing God's will, not ours. We wish to thank all of you for your support and prayer. We feel like it would have been an impossible journey without it. At this point the cancer is undetectable, and we give all thanks to God for that. We still do not know which way this will go but give thanks to our Father in heaven for every day and acknowledge that not a hair can fall from our head without the will of our heavenly father. Keep the Faith!

- Your brother and sister in Christ, Gerald and Edna Steendam

Church Family:

Ps. 145:9 says, "The LORD is good to all: and His tender mercies are over all His works." What a blessing to belong to such a caring God! Please pray for those who have flus and colds that we may be strengthened during this season while we await the arrival of spring. God is faithful. Pray for our covenant children who are still in the womb and those who are growing up in our covenant homes. May the Lord also establish the efforts of our hands as providers and give us wisdom to raise up our children in the fear of His name. May He work His grace in their lives. May He continue to be a husband to widows and bring sweet encouragement to those who are weak. Continue to pray for the wayward that they may be brought out of spiritual darkness into the wonderful light of the Gospel. Remember the needs of the church around the world, those in chains, as well as missionaries serving here and abroad.

We also pray for God's Spirit to grant to us harmony and peace. As Galatians 5 exhorts us: "Now the works of the flesh are evident: sexual immorality, impurity, sensuality, idolatry, sorcery, enmity, strife, jealousy, fits of anger, rivalries, dissensions, divisions, envy, drunkenness, orgies, and things like these. I warn you, as I warned you before, that those who do such things will not inherit the kingdom of God. But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law" (Gal 5:19-23).

Today we welcome Allan Vanderpol as a new member. Allan comes to us from the Carmen West Canadian Reformed Church, he is working here in Winnipeg, but his biggest reason for the move was his recent marriage to Miranda (Westervelt) from Winnipeg. We look forward to getting to know Allan and Miranda better as they engage in the body of Christ here at Providence.

United in Prayer: Up-to-date Requests from our missionaries

Rev. Austin Reifel is new church planter in Indianapolis, IN

- Please join us in praying for spiritual unity and maturity as we together trust the Lord with our future.
- Pray that the Lord would equip men among us to fill the offices of elder and deacon that we might faithfully shepherd those He has entrusted into our hands.
- Pray for Indy Reformed to establish and maintain relationships with other like-minded churches in the area to partner in gospel ministry.
- Join us in praying for the Indianapolis Metro area, that Indy Reformed would be a light in the darkness and that the Lord would raise up many more laborers for the harvest as there remains a great need for faithful churches.
